Sommer Christie named to the rugby All-Canadian team

Sommer Christie, a member of Concordia women's rugby team, was named to the CIS All-Canadian team this past week.

The All-Canadian team was announced at the beginning of November but a miscommunication had left Christie off the list.

The third-year scrumhalf is the captain of the Concordia rugby team. She scored 58 points this season and was named to the QSSF all-star list. She was a Concordia athlete of the week on two occasions and a QSSF female athlete of the week on another.

Last summer, Christie played scrumhalf for the under 23 Canadian national team and was a member of the Quebec senior provincial team. The 22 year old is presently practicing with the senior national team. A native of Wentworth, Que., Christie is an exercise science student at Concordia. Stinger head coach, Sheila Turner, says "Sommer is easily the best scrumhalf in the league."

2 Stingers named to hockey all-star team that will play Canadian juniors

Right wingers **Edin Burazerovic** and **Luc Messier** of the Concordia men's hockey team have been named to the OUA all-star team that will play the Canadian junior national team this coming weekend in Toronto.

The OUA all-stars play the Canadian juniors each December to help the national team prepare for the world championships. This year the prestigious international tournament will be held in the Czech Republic from Dec. 25 to Jan. 4.

Burazerovic, a native of Longueuil, Que., is in his third season with the Stingers. In 12 regular season games played this season the 23 year old has had three goals, four assists and 46 penalty minutes. Burazerovic, an accountancy student, also played on the all-star team last season.

Messier is a rookie on the Concordia team. However, this has not stopped him from succeeding. In the 11 regular season games he has had four goals, eight assists and 10 penalty minutes. An arts student, Messier is a native of Sudbury, Ont.

Kevin Figsby, head coach of the Concordia men's hockey team, will be the head coach of the OUA all-star team. He will be assisted by Ed Kirsten from Ryerson University and Kelly Nobes from Royal Military College.

The exhibition games will be played at the Beatrice Ice Gardens of York University, Thursday and Saturday at 5:30 p.m.
